We urge all individuals to practice these prevention measures:

- Wear a mask or cloth face covering when you go to a store, office, or public place.
- Remember social distancing: six feet between you and the person closest to you.
- Wash your hands often with soap and warm water for at least 20 seconds. If soap and water are not available, use an alcohol-based hand sanitizer.
- Avoid touching your eyes, nose, and mouth with unwashed hands.
- Avoid close contact with people who are sick. Stay home when you are sick.
- Cover your cough or sneeze with a tissue, then throw the tissue in the trash.
- Clean and disinfect frequently touched objects and surfaces.
